

# Early Out Wednesdays at Fisher

Planning for the 23.24 School Year

# Strategic Plan

Transition to an EOW aligns with our Strategic Plan Goals.

Objective #5C Staff Professional Growth and Support: Strengthen collaboration by uniting grade K-5 with grades 6-8, in addition to LGHS (Los Gatos High School). As a result, jointly articulated communication (in areas of mutual interest) will be shared with parents. Progress will be communicated out to all stakeholders.

# How is this time used by our faculty?

1. Collaboration
2. Professional development
3. Safety training
4. TK-8 articulation and coordination
5. Department meetings
6. Grade level meetings
7. Student needs' planning
8. And more!

# Instructional Minutes

\*All schedule options are as close as possible to our current schedule

\*Goal is to maintain current instructional minutes

\*State of California minimum requirement: 54,000

\*Fisher exceeds the state minimum requirement by approximately +2,000

# The Particulars:

Some of the finer details\* are being finalized this week.

**Start time:** 8:25am daily (like this year)

**End times:** Monday/Tuesday/Thursday/Friday = 2:50 or 2:55pm\*

Wednesday = 1:30pm (lunch included in the school day)

## Next Steps:

- Ensure that instructional minutes are minimally changed
- Keep families informed of any planned changes
- Work with site staff and LG Recreation Department to create opportunities for students on EOW after the early dismissal
- Determine how the After School Programs will blend with EOW dismissal
