

R.J. Fisher Community Service Guidelines

General Guidelines:

- Community service hours approved will not exceed more than 8 hours a day
- Community service hours must be completed under the supervision of a parent and under advisement of a representative of the organization
- Community service hours must be done outside of school hours

See below for the types of service performed and the types of qualifying organizations that make up our Fisher Community Service Recognition program. If you have questions about a type of work or organization, please reach out to your [Grade Level Community Service Coordinator](#).

Fisher Community Service hours will be given for these types of organizations:
